

## **Drawing Class Materials List Drawing Tools**

5 graphite pencils: HB, B, 2B, 4B, 6B or Ebony

In my experience Staedtler Lumograph Graphite Drawing Pencils are the best; Faber-Castell Design Graphite Pencils are also good

### **Erasers**

1 soft kneaded eraser (comes in red, blue or yellow - available at Plaza Art)

1 white plastic eraser

1 pencil-shaped "Eraser Stick" or other fine eraser for precise highlights (optional)

### **Additional Tools**

Manual pencil sharpeners (An Electric sharpener will be provided in the studio)

1 roll of 3/4" blue tape or drafting tape

1 small drafting brush (artist's dusting brush for sweeping off eraser crumbs)

### **Paper**

Drawing Paper - 1 pad - 11x14 or 14x17 (18x24 is too large!)

### **Optional:**

1 Drawing Board - 18x18 Masonite or 1/2" thick (not 1/4" thick - just a bit larger than your choice of drawing paper)
